

CCFR issues that didn't make the campaign

Tuesday, 24 October 2006

If it's a penny for your thoughts and you put in your two cents worth, then someone, somewhere is making a penny.
It's wrong that only one company makes the game Monopoly.
We need a tax on people who are bad at math.
The Stones, we love the Stones. We watch them whenever we can. Fred, Barney.
Support bacteria - they're the only culture some people have.

Sorry Steven.
